"Jack and the Beanstalk" Put Into Delightful Cinema Fantasy

"Jack and the Beanstalk" is a delightful fantasy. It came to the Globe Theatre last night in the wholly new and pleasing form of the silent drama. Certainly few of those in the large audience had ever thought to

enjoy again this idyl of youth as they did in the long ago. But the old story in the modern dress is an exquisite thing indeed. Throughout the two hours that its presentation required, scene after scene unfolded with a magnificence

Knock-Wilson War Wedding.
 Miss Mary Constance Wilson, daughter of Mr. and Mrs. Michael Lambert Wilson, of Armour Villa Park, was married to Henry Edgar Knox, son of Mr. and Mrs. J. Edgar Knox, of Richmond, Va., at Christ Church, Brunswick, yesterday, by the Rev. A. D. Wilson. The wedding ceremony was arranged as the bridegroom is a machinist's mate in the Naval Reserve. He will report for duty at Newport in few days. The bride was attended by her sister, Miss William M. Wilson. The best man was Reuben Taylor Knox and the ushers were military and naval men.

Gerard Reveals Secrets of His Famous Black Bag

Not even the German Secret Service could fathom the secrets of the little black bag that Ambassador Gerard guarded so jealously on the long journey from Berlin to Washington. Questions, attempts to percolate it, intrigues to gain access to its contents, all failed.

Asked in Washington what it contained, Mr. Gerard smiled and said:

"That? Why, it's the 'dope' for my book. As a private citizen I can be an author now, you know."

In that book, which has now been written, former Ambassador Gerard reveals, for the first time, the whole astounding story of German ambition, treachery and intrigue.

He Answers Questions That Puzzle America

—why Germany started the war, what she expected to get out of it, why she challenged the United States, what she did to make us fight, why she expects to win, and what her people still believe about America.

Written in the form of a fascinating narrative of the Ambassador's personal experiences, "My Four Years in Germany" is at the same time a masterly exposition of the underlying causes of the war. It is the "inside story," known only to the Kaiser's court and to the handful of diplomats accredited to it during the war.

Cyrus H. K. Curtis has arranged with Mr. Gerard for the first publication of this remarkable book as a serial in the
